

Production Supervisor – Afternoon Shift

We are currently seeking a dynamic, process-driven individual to join our Reunion Coffee Roasters Team as a **Production Supervisor**. You will have a collaborative team approach to responsibility and accountability, a proactive approach to identify operational gaps and improvement opportunities, and a positive approach in managing the hourly workforce.

As our Production Supervisor, you will be a key member of our Operations Team to lead, coach, and mentor our afternoon shift production and warehouse employees, including temporary associates. You will coordinate work schedules, manage time and attendance, train on new processes, and ensure that the employees are working safely while quality standards are being met.

On the practical level, you will:

- Lead a team of hourly production employees by coaching, mentoring and managing;
 - Adherence to company's policies and procedures;
 - Paid time off;
 - Performance management
- Execute resource planning to ensure required production needs are met daily based on operational requirements and/or forecasts.
- Participate in workplace safety programs through preventative activities, JHSC, and Safety Groups
- Monitor and track OEE and other KPIs for analysis of trends and opportunities for improvements.
- Champion continuous improvement initiatives through the use of LEAN tools/methodologies

We are a dynamic, family-oriented, and social responsible company that cares about your future and well-being - if you have the following qualifications, we want to hear from you:

- Minimum 3 years+ recent supervisory experience within Food Manufacturing
- Good working knowledge of LEAN tools such as Kaizen, KANBAN, Gemba, 5S, OEE, PDCA, SOP's, etc.
- Leadership skills to coach, motivate and manage employees with a positive and collaborative approach
- Experience with ERP software; SAP, AX Dynamics, SAGE, etc.
